Loyalty Management Center

Full control over your ecosystem in a single administrative panel.

Custom Tag Management.
Creation and full configuration of loyalty programs directly in the admin panel.

Adding Tags.
Quick registration of new users and assigning NFC identifiers to the system.

The screenshot displays the 'NFC Coffee Admin' dashboard. On the left, a 'Companies' table lists three entries: 'LS Coffee Sp. z o.o.', 'WiedeGo Sp. z o.o.', and 'WiedeGo Sp. z o.o.', each with an 'Organisation' and a 'Key'. In the center, an 'Edit Company' modal is open, featuring input fields for 'Address (max 64 chars)', 'Phone (max 60 chars)', 'E-mail (nymagany)', 'Contact Person (max 30 chars)', and 'Password (min. 10 chars, with uppercase, lowercase, numbers, special chars)'. The password field includes a list of requirements: 'At least 10 characters', 'Uppercase and lowercase letters', 'Numbers', and 'Special characters (e.g., @#%)'. 'Save' and 'Cancel' buttons are at the bottom of the modal. On the right, a table with columns 'Email', 'Login', and 'Actions' lists users: 'LS Coffee', 'Admin', and 'WiedeGo'. A green '+ Add Company' button is located above this table.

Organisation	Key
LS Coffee Sp. z o.o.	MJ00007938u44MER02N11
WiedeGo Sp. z o.o.	x09800TUc5B47018564772x
WiedeGo Sp. z o.o.	x9989UTu3B47018564772x

The Magic of Real Experiences

We transform technology into impeccable service for your customers.

Physical production of branded cards and other NFC tag carriers for integration with Aurency terminals.

+

=

They work everywhere. Offices, Offices, hotels, coworking — any place where our terminals are installed and the loyalty program operates.

Scenario without barriers: A hotel room key card holder applies it to the coffee machine. The card is automatically assigned to the loyalty program, and the guest receives free access to drinks in the lobby. Instantly. No extra apps.
